

The image features a dense arrangement of circles on a white background. Each circle is divided diagonally from the top-left to the bottom-right. The upper-left half of each circle is orange, and the lower-right half is blue. Two circles are specifically labeled with black text: a '0' is positioned to the left of a circle in the middle-left area, and a '1' is positioned to the right of a circle in the middle-right area. The circles vary in size and are scattered across the frame, with some appearing as full circles and others as partial segments at the edges.
